Note from the Owner

Welcome to our 6th Annual Recital!

My first thank you always goes out to my husband, Andrew, affectionately known as Mr. Emily by the students. Without him, EM's would not exist. He helped me to make the decision to "Take the Leap" and open EM's as well as "Dream Bigger" as the studio grew. He is always there to "Celebrate" the studio's successes with "Applause" and makes sure that I "Won't Stop", even when things get tough. He is always there to help with anything whether it be listening to music, giving feedback, working the desk, doing IT work, etc. I can't express my thanks enough for all he does for the studio, the students, and for me!

To my assistant director, Miss Mckenzie: Thank you for all you do and the love and dedication you bring to your teaching and your students. Your choreography continues to grow and blossom and I am grateful that you are here!

Classes would not run without our fabulous teaching staff! Miss Maddie, you have really stepped into the competitive program in a big way this season and have done so extremely successfully! I'm so proud of the work you do and the fresh perspective you bring in your teaching and your choreography. Miss Kristen, thank you so much for stepping in this year. You have been such a blessing to the studio and I'm so thankful to have you on our staff! Miss Abby, you have been such a positive asset to the studio and bring such a gentle grace to your students that I love. Miss Lily, it's so wonderful to have you back! You are bringing your college education in elementary education to your teaching to provide a loving, age appropriate environment for your students. Congratulations on your graduation & we look forward to many more years with you! Miss Kailee, you are going to be so missed as you have provided our students with their education for several years. We are so proud of you pursuing your dance dreams and continuing to be a truly inspiring mentor to our students. Miss Nila, you have really grown into your role this year and I'm so proud of what you have accomplished. I'm looking forward to next season to see what you bring! Miss Hannah, it's been such a pleasure getting to know you & welcoming you into our dance family! I'm very excited to see your growth in the coming years.

Assistants, thank you for all you do! You volunteer your time for our younger students & help provide them not only an education, but a mentor with whom they can connect and admire. You are truly appreciated & I am so proud of every one of you. You have grown so much & I look forward to all of your futures in the dance industry & at the studio.

To my manager, fondly known as the "other Emily" or "Ms P", thank you for all you do. You have put so much effort into the studio & it is truly appreciated. I am so grateful for all the streamlining you have done, the amazing customer service you provide, and your organization of everything, sometimes which includes me!

To my desk staff: you are the faces of the studio. You are the first person our families see & set the tone of the studio. I am so grateful for all you do and the support you give the studio

My last thank you goes out to all our families. EM's wouldn't exist without our families and our dancers. We are so fortunate that you are a part of our dance family and have made the continued decision to support EM's. Thank you so much for entrusting us with your dancer's education!

To our audience, thank you for coming out today to support our dancers. They have worked so hard & are so excited to show you what they have learned. Please stay for the entirety of the show in order to support all our dancers. If you must step out & re-enter, please wait until in between dances to do so as it is respectful to those on stage. Please refrain from taking photos and video during the show as it is distracting to the dancers and to those around you. Safety of our dancers is paramount and keeping phones and other devices dark assists in keeping our dancers safe.

Thank you for coming today. We hope you enjoy the show as we show you "All We Got!"

Much love and appreciation,
EMILY MORRISON
